## highview

**Client:**  
Qualis (Epping Forest)

**Location:**  
Epping Forest

**Contract value:**  
£120k

**Contract Duration:**  
6 weeks

**Sector:**  
Residential

**Summary:**  
Thermal Upgrade of Roof  
Covering, Damp  
rectification works and full  
void refurbishment

Highview were appointed to complete the thermal upgrading and waterproofing about multiple flats on a busy high street along with scaffold access and welfare facilities.

On completion for the roofing works our Highview Internals team undertook full void refurbishment and damp rectification works across multiple flats

The project was extremely time sensitive due to the residents need to be relocated to temporary accommodation.

Utilising our in-house delivery team and strong supply chain, we were able to offer the client an exceptional finish to the fit out at a competitive rate enabling them to utilise their existing framework rates
